ORDRES GÉNÉRAUX
1946

Les règlements, ordres, etc., qui suivent, sont promulgués et adressés à l'Armée canadienne, d'ordre du ministre de la Défense nationale.

QUARTIER GÉNÉRAL, OTTAWA,
le 4 décembre 1946.

O.G. 277
ORDONNANCES ET RÈGLEMENTS ROYAUX APPLICABLES À L'ARMÉE CANADIENNE, 1939— MODIFICATIFS (N° 91)

Les *Ordonnances et Règlements royaux applicables à l'Armée canadienne, 1939*, sont modifiés ainsi qu'il suit:

Immédiatement à la suite du paragraphe 800, *insérer* un nouveau paragraphe, numéroté 800A, ainsi conçu:

"800A. (*a*) Les instructions suivantes régissent la tenue d'inspections dans les unités de l'*Armée active*:

(i) Tout commandant d'unité de l'Armée active est chargé de rendre compte tous les jours de chaque officier et soldat sous ses ordres et de faire parvenir un état nominatif mensuel au quartier général de district à une date fixée par l'officier payeur du district. Dans le cas d'un officier ou soldat dont il n'est pas rendu compte, le commandant de l'unité est tenu de s'assurer qu'aucun paiement n'est

effectué pour son compte jusqu'à ce que l'affaire ait été tirée au clair et la preuve fournie que cet officier ou soldat continue à juste titre de figurer aux contrôles de l'Armée et de toucher une solde.

(*b*) Les instructions suivantes régissent la tenue d'inspections dans les unités de l'*Armée de réserve*:

(i) Il doit être tenu un rassemblement général des troupes au plus tard le matin du deuxième jour à un camp d'instruction, à l'heure fixée par le commandant du camp. Chaque officier, sous-officier breveté, sous-officier et homme de troupe dans le camp doit y assister, avec le personnel du camp ou avec son unité, sauf ceux qui en sont empêchés par leur service comme gardes ou cuisiniers ou ceux dont il est rendu compte par le médecin du camp, et y rester jusqu'à ce que l'officier payeur du camp ait fait l'appel nominal en entier, vérifié les noms des présents, rayé les noms des absents et noté sur l'exemplaire de l'état nominatif les nombres de chaque grade présents au camp. Ces états et chiffres serviront de guide en matière de solde, mandats de transport, vivres, etc., durant le séjour au camp, compte tenu de toutes mutations survenues subséquemment à l'établissement de l'état nominatif.

(ii) Sauf instructions contraires de la part du commandant du district ou du camp, chaque unité doit tenir un nouveau rassemblement général avant son départ du camp. Elle doit fournir à l'officier payeur du camp un état nominatif complet en double. L'officier payeur doit vérifier tous les noms de la même façon qu'à l'arrivée au camp et s'assurer qu'aucun paiement n'est fait pour le compte de qui que ce soit n'y ayant pas droit.

(iii) L'officier payeur du camp doit comparer les états de solde avec les exemplaires de l'état nominatif utilisés au rassemblement et attester sur les états de solde qu'il l'a fait. Toute différence entre les nombres effectivement présents au camp et les nombres indiqués sur la copie de l'état nominatif doit être immédiatement signalée par l'officier payeur du camp au commandant du camp, qui fera procéder à une enquête s'il y a lieu.

(iv) A la conclusion de la période d'instruction annuelle, toutes les unités de l'Armée de réserve doivent tenir un rassemblement général à l'époque fixée par le commandant du district. A ce rassemblement, l'officier payeur du district ou son représentant doit vérifier tous les noms figurant à l'état nominatif de l'unité afin de s'assurer qu'il est rendu compte de chaque individu."

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse de signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada,* comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. *Une compagnie de chemin de fer ou de canal*—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. *Une compagnie de télégraphe ou de téléphone*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'eexrcer des opérations;

3. Une compagnie ayant pour objet *l'exécution d'entreprises* dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des *droits ou privilèges exclusifs,* ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. *Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt,* ou *compagnie industrielle,* sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement;

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis; et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particuièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle des entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la construction ou l'achèvement, d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et, lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention; "Avis de bill privé"; au lieu des journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été

déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examinateur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédictent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas; crochets, italique, texte souligne, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill, ou la partie importante de ce texte, doit être imprimée, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimée en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant, que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncée par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation, doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée, au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ses ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada,* il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal, cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province au territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada.*

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé

pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examinateur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement, de voie ferrée ou de canal, ne sera prise en considération par l'examinateur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction, qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et ayant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

(*a*) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache.	$ 100
(*b*) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session..	100
(*c*) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session.	200
(*d*) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas $250,000.. ..	100
(*e*) Lorsque le capital-actions projeté d'une compagnie dépasse $250,000, mais n'est pas supérieur à $500,000..	200
(*f*) Lorsque le capital-actions projeté d'une compagnie dépasse $500,000, mais n'est pas supérieur à $750,000..	300
(*g*) Lorsque le capital-actions projeté d'une compagnie dépasse $750,000, mais n'est pas supérieur à $1,000,000..	400
(*h*) Lorsque le capital-actions projeté d'une compagnie dépasse $1,000,000, mais n'est pas supérieur à $1,500,000..	600
(i) Lorsque le capital-actions projeté d'une compagnie dépasse $1,500,000, mais n'est pas supérieur à $2,000,000..	800
(*j*) Pour chaque million de dollars de capital-actions additionnel ou fraction de million..	200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante le droit additionnel à débourser est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) (*a*) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

(*b*) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill, il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand un bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins, si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas (*b*) ou (*c*) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examinateur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle, dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE DU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille, indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

Greffier de la Chambre des communes.

This Order shall apply to such of the Canadian Military Forces as are serving in the United Kingdom or on the Continent of Europe.

I. General Courts-Martial—

1. Brigadier Howard Douglas Graham, CBE, DSO, ED, is with respect to officers and soliders of the Canadian Army serving in the United Kingdom or on the Continent of Europe hereby empowered to convene General Courts-Martial for the trial of any such officer or soldier and generally to execute all such powers as accrue to or are incidental to the power to convene General Courts-Martial.

2. That there may not in any case be a failure of justice for want of a proper person to act as Judge Advocate, the said Brigadier Howard Douglas Graham, CBE, DSO, ED, is hereby further empowered, in default of a person deputed by the Judge Advocate-General or during the illness or occasional absence of the person so deputed, to nominate and appoint a fit person from time to time for executing the office of Judge Advocate at any Court-Martial of any such officer or soldier for the more orderly proceedings of the same.

3. In any case in which the proceedings of a Court-Martial or any document attached thereto, or required to be forwarded therewith, are lost or destroyed a copy thereof certified by an officer to be a true copy shall stand and be accepted for all purposes in lieu of the said original proceedings and documents.

II. *Powers of a District Officer Commanding*

1. Brigadier Howard Douglas Graham, CBE, DSO, ED, is with respect to officers and soldiers of the Canadian Army serving in the United Kingdom or on the Continent of Europe hereby vested with all the powers and functions exercisable by a District Officer Commanding under the provisions of the King's Regulations and Orders for the Canadian Army (1939).

III. *Military Detention Barracks and Branch Detention Barracks—*

1. Brigadier Howard Douglas Graham, CBE, DSO, ED, may specially appoint such place or places to be known as Canadian Detention Barracks wherein soldiers under sentence of imprisonment or detention may be required to serve such sentences or be detained.

2. The "Regulations and Instructions for Military Detention Barracks and Branch Detention Barracks" approved by Order in Council dated 1st December, 1939, PC (3918) shall apply to such Canadian Detention Barracks and to the personnel of said Canadian Military Forces therein detained or detailed for duty thereat, provided the said Brigadier Howard Douglas Graham, CBE, DSO, ED, shall have power to adapt or modify the form of or administrative provisions contained in the said Regulations and Instructions in such manner and to such an extent as may from time to time be required for the purpose of giving full effect to the application of the substance of the said Regulations and Instructions at places appointed as Canadian Detention Barracks.

3. The said Brigadier Howard Douglas Graham, CBE, DSO, ED, with respect to such Canadian Military Forces serving out of the United Kingdom, may further appoint any British Penal Establishments, Military Prisons and Military Detention Barracks out of the United Kingdom as additional Establishments, Military Prisons and Military Detention Barracks wherein Canadian soldiers under sentence may lawfully be required to serve such sentence or be detained. IV. *Transfer of Military Prisoners—*

1. Where a person subject to Canadian Military Law is by a Court-Martial sentenced at any place outside Canada to undergo a sentence of penal servitude or of imprisonment or of detention, he may (whether or not he has already undergone a portion of such sentence) be transferred or removed to Canada to undergo such sentence or the balance thereof in such place or such several places to which he could have been committed to serve such sentence if he had been tried by a Court-Martial and sentenced in any place in Canada.

2. Such person may, until he reaches the place in Canada in which he is to undergo his sentence or the balance thereof, be kept in military custody or in civil custody or partly in one description of custody and partly in the other, and may, from time to time, be transferred from military custody to other military custody or to civil custody and from civil custody to other civil custody, or to military custody as occasion may require.

3. (*a*) An order of a competent military authority shall be a sufficient warrant for the committal of such person under sentence of penal servitude or of imprisonment or of detention (whether or not he has already undergone a portion of such sentence) to such place or such several places in Canada to which he could have been committed to serve such sentence if he had been tried by Court-Martial and sentenced in any place in Canada.

(*b*) An order of a competent military authority shall at any time and from time to time be a sufficient authority for the transfer of such person under sentence of penal servitude or of imprisonment or of detention from military custody to other military or to civil custody and from civil custody to other civil custody or to military custody and for his removal from place to place and for his detention in military or civil custody and generally for dealing with such person in such manner as may be thought expedient until he reaches the place in Canada where he is to undergo his sentence or the balance thereof.

(*c*) Such person serving sentence of penal servitude or of imprisonment or of detention may at any time and from time to time be released into military or civil custody by an order of the competent military authority, but this shall not be construed as authorizing a term of detention to be undergone otherwise than as prescribed by the provisions of the Army Act and the King's Regulations and Orders for the Canadian Army (1939).

(*d*) Such person under sentence of penal servitude or of imprisonment or of detention may, during his conveyance from place to place, or when on board ship, aircraft or otherwise be subjected to such restraint as is necessary for his safe conduct and removal.

4. Such person under sentence of penal servitude or of imprisonment, or of detention transferred or removed to Canada as aforesaid, shall, after he has been committed to the place in Canada in which he is to undergo his sentence or the balance thereof be dealt with in the same manner and be subject to all enactments as far as circumstances admit, as though he had been committed thereto after being tried by Court-Martial and sentenced in any place in Canada.

5. For the purposes hereof, unless the context otherwise requires—

(*a*) The expression "military custody" shall include custody of the naval, military, or air force authorities of Canada or of any of His Majesty's dominions.

(*b*) The expression "civil custody" shall include custody of the police or of other lawful civil authority authorized to retain in custody civil prisoners and includes confinement in common gaol or any prison or cells in the United Kingdom or Canada or Newfoundland in which offenders sentenced by a civil court to imprisonment or confinement can for the time being be confined but shall not include custody of the military authorities of Canada.

(*c*) The expression "competent military authority" shall include—

(i) The Commanding Officer for the time being of that portion of the naval, military or air forces of Canada or of any part of His Majesty's dominions in whose custody such person under sentence of penal servitude or of imprisonment or of detention may at any time and from time to time be;

(ii) The several persons mentioned in Section 131 of the Militia Act and paragraph 584 of the King's Regulations and Orders for the Canadian Army (1939);

(iii) Brigadier Howard Douglas Graham, CBE, DSO, ED;

(iv) Such officer or officers as the Adjutant-General may at any time and from time to time appoint.

6. The forms set out in the third appendix to the Rules of Procedure shall apply hereto *mutatis mutandis*.

V. *Return of Persons Subject to Canadian Military Law to Canada*

1. Any person. who, while serving as an officer or soldier of the Canadian Army on Active Service in the United Kingdom or on the Continent of Europe, has been sentenced, in the case of an officer, to be cashiered or to be dismissed from His Majesty's service, or, in the case of a soldier, to be discharged with ignominy shall, notwithstanding that said sentence has been carried out and subject to the provisions of the succeeding paragraphs of this order and pending disposal in accordance therewith, be deemed to accompany His Majesty's Canadian troops employed on active service within the meaning of paragraph (10) of Section 176 of the Army Act and be a person subject to Military Law as a soldier.

2. A person who having been an officer as aforesaid, has been cashiered or dismissed from His Majesty's service and any person having been a soldier who has been sentenced to be or has been discharged with ignominy, shall notwithstanding any statute, law or regulation, be liable to be and shall, on the order of Brigadier Howard Douglas Graham, CBE, DSO, ED, be returned at the Public Expense to the place whether in Canada or elsewhere in which he was residing immediately prior to his having been placed on active service or enlisting in an active unit of the Canadian Army as the case may be, and if in order to insure his return the said Brigadier Howard Douglas Graham, CBE, DSO, ED, considers that the person in question should be held in military custody either pending or during his return, or both, it shall be lawful for the person so to be held and such custody shall be deemed to be lawful custody.

3. Any such person so cashiered, dismissed or discharged with ignominy may, upon such

sentence and pending such return, be granted quarters and rations if available, and such allowances, including dependents' allowance and transportation at the rates and under the conditions applicable to the rank held by him immediately prior to his trial as are provided by Financial Regulations and Instructions for the Canadian Active Service Force (Canada and Overseas), and may be granted in lieu of pay, per diem allowance of $1 if an officer immediately prior to his trial or 50c if an Other Rank immediately prior to his trial and such additional amount as is sufficient to meet all assignments of pay to persons to whom dependents' allowance is being paid by him prior to the commission of the offence for which he was cashiered, dismissed or discharged with ignominy. The granting of the foregoing allowances shall be in the discretion of the said Brigadier Howard Douglas Graham, CBE, DSO, ED, while the said person is in the United Kingdom or on the Continent of Europe and is travelling therefrom to Canada, and in the discretion of the General Officer or Brigadier Commanding the Command to which such person is being returned while such person is in Canada.

SÉNAT

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse de signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada,* comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. *Une compagnie de chemin de fer ou de canal*—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. *Une compagnie de télégraphe ou de téléphone*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'eexrcer des opérations;

3. Une compagnie ayant pour objet *l'exécution d'entreprises* dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des *droits ou privilèges exclusifs,* ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. *Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt,* ou *compagnie industrielle,* sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement;

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis; et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particuièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle des entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la construction ou l'achèvement, d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et, lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention; "Avis de bill privé"; au lieu des journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou le prolongement de

la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examinateur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédictent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas; crochets, italique, texte souligne, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill, ou la partie importante de ce texte, doit être imprimée, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimée en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant, que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncée par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation, doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée, au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ses ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examinateur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement, de voie ferrée ou de canal, ne sera prise en considération par l'examinateur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction, qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et ayant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

(*a*) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache.	$ 100
(*b*) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session..	100
(*c*) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session.	200
(*d*) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas $250,000.. ..	100
(*e*) Lorsque le capital-actions projeté d'une compagnie dépasse $250,000, mais n'est pas supérieur à $500,000..	200
(*i*) Lorsque le capital-actions projeté d'une compagnie dépasse $500,000, mais n'est pas supérieur à $750,000..	300
(*g*) Lorsque le capital-actions projeté d'une compagnie dépasse $750,000, mais n'est pas supérieur à $1,000,000..	400
(*h*) Lorsque le capital-actions projeté d'une compagnie dépasse $1,000,000, mais n'est pas supérieur à $1,500,000..	600
(*i*) Lorsque le capital-actions projeté d'une compagnie dépasse $1,500,000, mais n'est pas supérieur à $2,000,000..	800
(*j*) Pour chaque million de dollars de capital-actions additionnel ou fraction de million..	200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante le droit additionnel à débourser est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) (*a*) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

(*b*) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill, il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand un bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins, si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas (*b*) ou (*c*) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examinateur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle, dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE DU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille, indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

DEPARTMENT OF EXTERNAL AFFAIRS

Claims in respect of Canadian interests affected by Nationalization or War Damage in Poland

NATIONALIZATION

1. The Polish Government has released lists of firms in Poland to be nationalized without compensation to owners and lists of firms for which the Polish Government is prepared to compensate owners. It is expected that further lists will be released from time to time.

2. The firms designated for nationalization without compensation are stated by the Polish Ministry of Industry to have been owned by the German Government or by German citizens. It is understood, however, if the owners of these enterprises are citizens of non-enemy states an appeal may be lodged.

3. Canadian citizens who have interests whether in respect of capital investment or in respect of outstanding commercial accounts in firms in Poland are advised to communicate urgently with the Department of External Affairs, Ottawa. In communicating with the Department, claimants must provide the following information:

(*a*) the full name and change of name, if any, of the claimant;

(*b*) the former and present nationality of the claimant including the place, number and date of issue of his naturalization certificate, if any;

(*c*) the name and address, including the District of Poland (in the Polish language and in blocked capitals) of the firm in which an interest is claimed and the character of the business carried on by such firm;

(*d*) full particulars of the interest claimed; if a security, description, registration numbers and date of issue.

The Department is prepared to notify the Polish authorities, through the British Embassy at Warsaw, of the names of Polish firms in which a Canadian interest has been declared.

4. However, it is incumbent upon the Canadian claimant under the provisions of the Polish nationalization decrees to prove his own claim and for this purpose he must prepare detailed proofs of his interest and claim. These proofs should take the form of an affidavit legalized by a Polish Consul in this country. The affidavit should then be sent to a Polish lawyer in Poland, appointed for this purpose by a power of attorney duly legalized, for presentation to the competent Polish Nationalization Commission. Persons who so desire may retain for this purpose the legal adviser to the British Embassy, Warsaw, by power of delegation. The legal adviser is Dr. Adam Nagorski. He will of course charge for his services.

5. The addresses of Polish Consuls in Canada are as follows:

183 Carling Avenue, Ottawa, Ontario.
985 Sherbrooke Street West, Montreal, P.Q.
238 Roslyn Road, Winnipeg, Manitoba.

6. The Polish Nationalization decrees allow only 30 days from the date of publication of the lists of nationalized firms in Poland for registering claims with the appropriate Polish Nationalization Committee. While the Canadian Government is endeavouring to obtain an extension of time in order to permit proper protection of Canadian interests, Canadian claimants are urged to enter their claims under the procedure outlined above at the earliest possible date.

War Damage

7. The Canadian Government is also willing to forward claims for war loss and damage in Poland which will be considered by the Polish War Compensation Office.

8. Canadian claimants must apply direct to the Department of War Damage of the City of Warsaw (Wydzial Strat, Wojennyck m. St. Warszawy V.I. Morszalkowska 8) for Questionnaire A. Relating to War Damage (Kwestionariusz A. w sprawie szkod wojennych) which is to be completed in Polish. The completed questionnaire should be forwarded to the Department of External Affairs which will forward it to the Polish authorities through the British Embassy at Warsaw.

9. If claimants wish also to register their claims with the Canadian authorities they should apply to the Custodian, the Department of the Secretary of State of Canada, for the appropriate registration form.

10. For the purpose of this Notice, Poland means the territory presently under the sovereignty of the Government of Poland.

11. The Canadian Government accepts no responsibility for the satisfaction of any claims relating to nationalization or war loss and damage in Poland.

Published by the Department of External Affairs, Ottawa.

CHAMBER OF THE SENATE,

Ottawa, Thursday, January 30, 1947.

THIS day at three o'clock, p.m., His Excellency the Governor General proceeded to the Chamber of the Senate in the Parliament Buildings, and took his seat upon the Throne. The Members of the Senate being assembled, His Excellency the Governor General was pleased to command the attendance of the House of Commons, and that House being present, His Excellency the Governor General was pleased to declare the causes for the summoning of the Third Session of the Twentieth Parliament of Canada with the following Speech:

Honourable Members of the Senate:
Members of the House of Commons:

Since my arrival in Canada, I have visited all nine provinces. Today, for the first time, I meet with you at the opening of a session of Parliament. I should like at once to say how greatly I value this new association. I prize it the more in that it permits, in a time of peace, a continuance of the memorable association I had with Canada's armed forces at a time of war.

This new year has happily been marked by a lessening of international tension. During 1946, despite many disappointments, a notable advance was made towards world recovery. In the making of peace and in the tasks of world reconstruction, Canada has assumed a full share of responsibility. No country holds, today, a higher place in the esteem of other nations.

The establishment of enduring peace continues to be the first concern of all nations. It is the corner stone of our external policy.

Unsettled world conditions, following inevitably in the wake of war, have rendered the making of the peace exceedingly difficult. Some progress has been made. After prolonged conferences, treaties of peace with Italy, Finland, Roumania, Hungary and Bulgaria have been agreed upon, and are about to be signed. You will be asked to approve the treaties to which Canada becomes a signatory.

The Allied Nations have now entered upon the task of determining the future of Germany and Austria. Canada has recently made clear our constructive attitude with regard to these settlements.

In international action for the relief of the destitute, and for the rehabilitation of areas desolated during the war, Canada has been much to the fore. We may indeed be grateful that our country has been able to take the part it has in the relief of human suffering, in the provision of food for the hungry, and in the restoration of devastated countries. Canada is joining with other nations in seeking to solve the perplexing problem of the displaced persons, and in the development of international co-operation in many fields.

It is the policy of the government to have Canada give wholehearted support to the United Nations. Special attention is being given to the deliberations respecting atomic energy and the regulation and reduction of armaments. My Ministers are also following with interest the activities of the United Nations with regard to the question of Human Rights and Fundamental Freedoms, and the manner in which those obligations accepted by all Members of the United Nations may best be implemented. It is the intention of the government to recommend the appointment of a select committee of members of both Houses to consider and report upon these matters.

The General Assembly of the United Nations concluded, last month in New York, its first session begun in London a year ago. Canada's delegation both in London and in New York was representative of the government and the opposition, and of both Houses of Parliament. The Canadian delegation took an active and constructive part in the work of the Assembly, the Economic and Social Council, the Atomic Energy Commission and other international organizations. You will be invited to consider legislation to enable Canada to carry out

our country's obligations under the United Nations Charter, and to approve other agreements arising out of the growing structure of international organization.

Canada welcomed the action of the United Nations in convening a World Conference on Trade and Employment. It is hoped that the Conference may bring into being an international Charter which, by the removal or reduction of restrictions, will result in the continuous expansion of world trade. During the autumn, preparatory trade discussions among the nations of the Commonwealth were held in London. Discussions are being continued with other of the United Nations. Canada's delegation to the Conference will be instructed to further to the utmost this combined effort on the part of the United Nations to liberate trade and thereby to assist in the maintenance of a high level of employment.

In our own country, the change-over from wartime conditions has proceeded rapidly. The repatriation and demobilization of the armed forces have been practically completed. Almost all dependents of veterans have now arrived in Canada. The three armed services have been brought under the jurisdiction of one Minister of the Crown. The navy, army and air force are being reorganized on a post-war basis.

Industry has been converted almost entirely from wartime purposes to peace-time production. Over a million persons have been transferred from the armed forces and war industry to regular civilian occupations. Employment is higher than it has ever been. It is over thirty per cent higher than it was in 1939. During 1946 Canada's external commerce reached heights unprecedented in peace-time. The national income is at its highest peace-time level. The outlook for trade and employment for 1947 is most favourable.

Despite the high volume of output in all the primary industries, the demand for the natural products of the farms, the fisheries, the mines and the forests continues to exceed production. Through marketing agreements, the government is seeking to give security and continuing stability to the incomes of primary producers.

Many of the controls and restrictions in force during and immediately after the war are no longer in existence. Others have been considerably relaxed. Controls over wages and salaries and over many prices and commodities have been removed. Other controls are being removed in an orderly manner.

The policy of the government is to maintain only such price and commodity controls as may be required to protect consumers from a sudden and drastic rise in the cost of living, and to ensure the fair distribution of essential goods and services which are in short supply. You will be invited to consider what measures may be necessary to continue this policy after the expiry of the National Emergency Transitional Powers Act. Where it may appear advisable to continue these or other transitional measures, the required legislation will be submitted for your approval at the earliest possible date.

Where measures enacted under wartime powers may be required for a considerable period, bills necessary to give statutory form to their provisions will be introduced without delay. This procedure will bring under your review a number of measures relating, among other matters, to labour relations, agriculture, marketing, immigration, defence, finance and export trade.

Progress is being made in overcoming the shortages in building supplies, thereby accelerating the provision of additional housing. Despite all obstacles, the number of housing units completed in 1946 approximated the objective set by the government. The co-operation of provincial and municipal authorities greatly contributed to the provision of emergency shelter.

Since the last session of parliament, negotiations for tax agreements have been carried on with certain of the provinces. In the course of these negotiations, modifications were made in the Dominion proposals to meet problems of individual provinces, and to ensure comparable treatment for all.

Tax agreements have now been reached with several of the provinces. The government is prepared to conclude agreements on a similar basis with the remaining provinces. You will be asked to approve such tax agreements as may be concluded.

Once suitable financial relationships have been arrived at with the provinces, my Ministers have undertaken to seek, in a general conference or otherwise, to work out satisfactory arrangements with the provinces in regard to public investment and social security measures. Amendments to the Old Age Pensions Act will be introduced at the present session.

You will be invited to consider a measure to provide for the readjustment of representation in the House of Commons, in accordance with the provisions of the recent amendment to the British North America Act. Amendments to the Dominion Elections Act will also be submitted for your consideration.

In the course of the session, additional measures will be submitted for your approval.

Members of the House of Commons:

The Public Accounts for the last fiscal year and the Estimates for the coming year will be laid before you. The Estimates will disclose substantial and gratifying reductions in public expenditures.

You will be asked to make financial provision for all essential services.

Honourable Members of the Senate:
Members of the House of Commons:

May Divine Providence bless your deliberations and guide the nations in their efforts to establish a just and lasting peace. 6-1

5. L'alinéa (*m*) de la clause 1 est supprimé et remplacé par le suivant:

"(*m*) L'expression "théâtre réel de guerre" signifie:

(i) Lorsqu'il s'agit des armées de terre ou de l'air durant la Première guerre mondiale, le service dans la zone des armées alliées sur les continents d'Europe, d'Asie ou d'Afrique, ou en tout autre lieu que ce soit, où l'ancien militaire a reçu une blessure ou contracté une maladie comme conséquence directe d'un acte hostile de l'ennemi;

(ii) Lorsqu'il s'agit de l'armée de mer durant la Première guerre mondiale, le service en haute mer ou en n'importe quel endroit où il y a eu contact hostile avec l'ennemi, ou encore en n'importe quel autre lieu où l'ancien militaire a reçu une blessure ou contracté une maladie comme conséquence directe d'un acte hostile de l'ennemi;

AVIS DU GOUVERNEMENT

MINISTÈRE DES AFFAIRES EXTÉRIEURES

Réclamations relatives aux intérêts canadiens en Pologne affectés par la nationalisation ou les dommages de guerre

NATIONALISATION

1. Le Gouvernement polonais a publié des listes d'entreprises de Pologne qui seront nationalisées sans indemnité aux propriétaires et des listes d'entreprises dont le Gouvernement polonais est disposé à indemniser les propriétaires. D'autres listes seront sans doute publiées de temps à autre.

2. Le Ministère polonais de l'Industrie déclare que les entreprises frappées par la nationalisation sans indemnité appartenaient au Gouvernement allemand ou à des citoyens allemands. Il est entendu cependant que si les propriétaires de ces entreprises sont citoyens d'Etats non ennemis, ils peuvent interjeter appel.

3. Les citoyens canadiens qui ont des intérêts dans des entreprises de Pologne, soit en capital immobilisé soit en effets commerciaux impayés, doivent communiquer d'urgence avec le Ministère des Affaires extérieures, à Ottawa, et donner les renseignements suivants:

(*a*) Nom et prénoms au complet du réclamant et son ancien nom s'il y a eu changement;

(*b*) nationalité actuelle et antérieure du réclamant avec lieu, numéro et date de délivrance de son certificat de naturalisation, s'il y a lieu;

(*c*) nom et adresse y compris le district de Pologne, (en polonais et en lettres moulées) de l'entreprise dans laquelle le réclamant a des intérêts, et nature de cette entreprise;

(*d*) tous détails sur ces intérêts du réclamant; s'il s'agit d'actions ou obligations, en donner la description, le numéro d'enregistrement et la date d'émission.

Le Ministère s'offre à aviser les autorités polonaises, par l'entremise de l'Ambassade du Royaume-Uni à Varsovie, des noms des entreprises polonaises dans lesquelles des intérêts canadiens sont déclarés.

4. Cependant les décrets polonais de nationalisation obligent le réclamant canadien à justifier lui-même de sa réclamation et il doit, à cette fin, produire des preuves précises de ses intérêts et de son droit de réclamation. Ces preuves doivent revêtir la forme d'un affidavit légalisé par un consul de Pologne au Canada. L'affidavit doit être transmis ensuite à un avocat polonais, en Pologne, désigné à cette fin par procuration dûment légalisée, et être présenté par lui à la commission polonaise compétente de nationalisation. Ceux qui le désirent pourront retenir à cette fin l'Aviseur Juridique de l'Ambassade du Royaume-Uni à Varsovie, par procuration. L'Aviseur Juridique est M. Adam Nagorski. Il faudra évidemment lui payer ses honoraires.

5. Les consulats de Pologne au Canada sont situés aux adresses suivantes:

183, avenue Carling, Ottawa, Ontario.
985 ouest, rue Sherbrooke, Montréal, P.Q.
238, Roslyn Road, Winnipeg, Manitoba.

6. Les décrets polonais de nationalisation n'accordent que trente jours de délai, à compter de la date de publication des listes d'entreprises nationalisées en Pologne, pour inscrire ces réclamations auprès du comité polonais compétent de nationalisation. Le Gouvernement canadien fait actuellement des démarches pour obtenir une prolongation de ce délai afin que puissent être mieux protégés les intérêts canadiens; les réclamants canadiens feront bien, cependant, de présenter leurs réclamations le plus tôt possible, et selon la procédure indiquée ci-dessus.

DOMMAGES DE GUERRE

7. Le Gouvernement canadien consent aussi à transmettre les réclamations pour pertes et dommages de guerre en Pologne, qui seront examinées par le Bureau Polonais des Indemnités de Guerre.

8. Les réclamants canadiens doivent demander directement au Département des Dommages de Guerre de la Municipalité de Varsovie Wydzial Strat, Wojennyck m. St. Warszawy V.I. Morszalkowska 8) le Questionnaire A. concernant les dommages de guerre (Kwestionariusz A w. sprawie szkod wojennych) qui doit être rempli en polonais. Le questionnaire rempli doit être adressé au Ministère des Affaires extérieures qui le fera parvenir aux autorités polonaises par l'intermédiaire de l'Ambassade du Royaume-Uni à Varsovie.

9. Si les réclamants désirent aussi inscrire leurs réclamations auprès des autorités canadiennes, ils doivent demander au Séquestre (Secrétariat d'Etat du Canada) les formules requises.

10. Aux fins du présent avis, la Pologne comprend le territoire relevant actuellement de la juridiction du Gouvernement polonais.

11. Le Gouvernement canadien n'assume aucune responsabilité pour la satisfaction des réclamations relatives à la nationalisation en Pologne ou aux pertes ou aux dommages de guerre dans ce même pays.

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse de signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada,* comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. *Une compagnie de chemin de fer ou de canal*—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. *Une compagnie de télégraphe ou de téléphone*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'eexrcer des opérations;

3. Une compagnie ayant pour objet *l'exécution d'entreprises* dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des *droits ou privilèges exclusifs,* ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. *Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt,* ou *compagnie industrielle,* sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement;

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis; et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particuièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle des entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la construction ou l'achèvement, d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et, lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention; "Avis de bill privé"; au lieu des journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examinateur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédictent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas; crochets, italique, texte souligne, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill, ou la partie importante de ce texte, doit être imprimée, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimée en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant, que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. (3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examinateur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement, de voie ferrée ou de canal, ne sera prise en considération par l'examinateur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction, qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et ayant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

(*a*) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache.	$ 100
(*b*) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session..	100
(*c*) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session.	200
(*d*) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas $250,000.. ..	100
(*e*) Lorsque le capital-actions projeté d'une compagnie dépasse $250,000, mais n'est pas supérieur à $500,000..	200
(*f*) Lorsque le capital-actions projeté d'une compagnie dépasse $500,000, mais n'est pas supérieur à $750,000..	300
(*g*) Lorsque le capital-actions projeté d'une compagnie dépasse $750,000, mais n'est pas supérieur à $1,000,000..	400
(*h*) Lorsque le capital-actions projeté d'une compagnie dépasse $1,000,000, mais n'est pas supérieur à $1,500,000..	600
(*i*) Lorsque le capital-actions projeté d'une compagnie dépasse $1,500,000, mais n'est pas supérieur à $2,000,000..	800
(*j*) Pour chaque million de dollars de capital-actions additionnel ou fraction de million..	200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante le droit additionnel à débourser est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) (*a*) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

(*b*) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill, il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand un bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins, si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas (*b*) ou (*c*) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examinateur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité

de ce modèle, dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE DU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille, indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

CHAMBRE DU SÉNAT

Ottawa, le jeudi 30 janvier 1947.

CE jourd'hui, à trois heures de relevée, Son Excellence le Gouverneur général est venu à la Chambre du Sénat, dans l'Hôtel du Parlement, et a pris place au Trône. Les membres du Sénat étant assemblés, il a plu à Son Excellence le Gouverneur général d'ordonner à la Chambre des Communes d'être présente, et, cette Chambre étant présente, il a plu à Son Excellence le Gouverneur général d'exposer, dans le discours suivant, les motifs pour lesquels a été convoquée la Troisième session du Vingtième Parlement du Canada.

Honorables membres du Sénat,
Membres de la Chambre des communes,

Depuis mon arrivée au Canada, j'ai visité les neuf provinces. Je vous rencontre aujourd'hui pour la

première fois, à l'ouverture d'une session parlementaire. Je tiens à vous dire dès l'abord combien je prise ces nouvelles relations. Je les apprécie d'autant plus qu'elles me permettent de continuer en temps de paix les rapports mémorables que j'ai eus en temps de guerre avec les troupes du Canada.

La nouvelle année est heureusement marquée par une détente dans les relations internationales. Malgré maintes déceptions, un progrès notable vers le relèvement du monde s'est produit en 1946. Le Canada a assumé toutes ses responsabilités dans l'élaboration de la paix et dans les tâches qu'impose la restauration de l'univers. Nul pays n'occupe aujourd'hui une place supérieure dans l'estime des autres nations.

L'établissement d'une paix durable reste la préoccupation primordiale des peuples. C'est là la pierre angulaire de notre politique extérieure.

L'instabilité de la situation du monde, conséquence inévitable de la guerre, a rendu extrêmement difficile l'instauration de la paix. Il y a toutefois eu progrès. Après des conférences prolongées, l'accord s'est fait sur les traités de paix, qui seront bientôt signés, avec l'Italie, la Finlande, la Roumanie, la Hongrie et la Bulgarie. Vous serez invités à approuver les traités dont le Canada devient signataire.

Les Nations Alliées sont maintenant en voie de déterminer l'avenir de l'Allemagne et de l'Autriche. Le Canada a récemment fait connaître l'attitude positive qu'il entend adopter à l'égard de ces règlements.

En ce qui concerne les mesures d'ordre international prises pour soulager les infortunés et relever les pays ravagés par la guerre, le Canada a joué un rôle de premier plan. Nous avons lieu de nous réjouir de ce que notre pays ait pu participer comme il l'a fait à l'allégement des souffrances humaines, à la distribution de vivres aux affamés et à la restauration des pays dévastés. De concert avec d'autres nations, le Canada cherche à résoudre le problème troublant des personnes déplacées, et à accroître la collaboration internationale en divers domaines.

C'est la politique du Gouvernement d'assurer aux Nations Unies l'appui chaleureux du Canada. Il accorde une attention particulière aux débats relatifs à l'énergie atomique, de même qu'à la réglementation et à la réduction des armements. Mes Ministres suivent aussi avec intérêt l'activité des Nations Unies concernant la question des droits de l'homme et des libertés fondamentales, ainsi que les méthodes à employer pour assurer le respect intégral des obligations acceptées par tous les membres des Nations Unies à cet égard. Le Gouvernement a l'intention de proposer la création d'un comité spécial composé de membres des deux Chambres qui sera chargé d'étudier ces questions et de faire rapport à leur sujet.

L'Assemblée générale des Nations Unies a terminé, le mois dernier, à New-York, sa première session qui avait débuté à Londres il y a un an. La délégation du Canada, aussi bien à Londres qu'à New-York, représentait le Gouvernement et l'Opposition, ainsi que les deux Chambres du Parlement. La délégation canadienne a participé activement et de façon pratique aux travaux de l'Assemblée, du Conseil économique et social, de la Commission de l'énergie atomique et d'autres organismes internationaux. Vous serez invités à examiner des mesures législatives destinées à permettre au Canada de remplir les obligations qui lui incombent en vertu de la Charte des Nations Unies, et à approuver d'autres ententes découlant de l'extension que prend la structure de l'organisation internationale.

Le Canada a accueilli avec faveur la décision prise par les Nations Unies de convoquer une Conférence internationale du commerce et de l'emploi. On espère que, de cette conférence, sortira une charte internationale qui, abolissant ou réduisant les restrictions, assurera l'essor continu du commerce international. Au cours de l'automne, des entretiens préliminaires sur le commerce ont eu lieu à Londres entre les nations du Commonwealth. Les discussions se poursuivent avec d'autres membres des Nations Unies. La délégation canadienne à cette conférence recevra instructions de favoriser le plus possible cet effort concerté des Nations Unies en vue de supprimer les entraves au commerce et d'aider ainsi à maintenir l'emploi à un niveau élevé.

Dans notre propre pays, le passage de la guerre à la paix s'est effectué rapidement. Le rapatriement et la démobilisation des troupes sont à peu près terminés. Presque tous les ayants droit d'anciens combattants sont rendus au Canada. Les trois services armés ont été réunis sous la juridiction d'un seul ministre de la couronne. Les armées de mer, de terre et de l'air font présentement l'objet d'une réorganisation conforme aux nécessités d'après-guerre.

L'industrie est presque entièrement réadaptée, des fins de guerre, à la production du temps de paix. Plus d'un million de personnes sont passées de l'armée et des industries de guerre à des emplois civils ordinaires. Jamais l'embauchage ne s'est élevé à un si haut niveau. Il dépasse de 30 p. 100 celui de 1939. Au cours de 1946, le commerce extérieur du Canada a atteint des sommets inconnus jusqu'ici en temps de paix. Jamais, en temps de paix, le revenu national n'a pris de telles proportions. Les perspectives du commerce et de l'emploi, en 1947, sont des plus favorables.

Malgré l'ample rendement de toutes les industries primaires, la demande de produits naturels de la ferme, des pêcheries, des mines et des forêts continue de dépasser la production. Grâce à des accords relatifs à l'organisation des marchés, le Gouvernement cherche à assurer la sécurité et la stabilité constante du revenu des producteurs primaires.

Bon nombre de régies et de restrictions, en vigueur durant et immédiatement après le conflit, n'existent plus. D'autres ont fait l'objet d'un relâchement considérable. On a supprimé la régie des salaires et des traitements, de même que celle d'une foule de prix et de denrées. La suppression d'autres régies se poursuit d'une façon ordonnée.

Le Gouvernement a adopté pour ligne de conduite de ne maintenir, à l'égard des prix et des denrées, que les régies jugées nécessaires pour protéger les consommateurs contre une hausse subite et marquée du coût de la vie, et pour assurer une distribution équitable des denrées et des services essentiels dont il y a pénurie. Vous serez invités à étudier les mesures qui pourront s'imposer pour maintenir l'application de ce programme, une fois expirée la loi sur les pouvoirs transitoires résultant de circonstances critiques nationales. A l'égard des domaines où il paraîtrait bon de maintenir ces mesures transitoires ou d'autres de cette nature, les projets de loi nécessaires seront soumis à votre approbation dans le plus bref délai possible.

Quant aux mesures édictées sous l'empire des pouvoirs de guerre dont le besoin existera pendant une période prolongée, les projets de loi propres à donner à leurs dispositions une forme statutaire seront déposés sans retard. Par suite de cette façon de procéder, vous serez saisis d'un certain nombre de mesures concernant, entre autres questions, les relations ouvrières, l'agriculture, l'organisation des marchés, l'immigration, la défense, les finances et le commerce d'exportation.

La pénurie des matériaux de construction accuse une réduction progressive, de sorte que s'accroît la

construction de nouveaux logements. En dépit de tous les obstacles, le nombre des unités d'habitation terminées en 1946 a pratiquement atteint l'objectif fixé par le Gouvernement. La collaboration des autorités provinciales et municipales a notablement aidé à l'aménagement de logements d'urgence.

Depuis la dernière session du Parlement, des négociations tendant à la conclusion d'accords fiscaux se sont poursuivies avec certaines provinces. Au cours de ces entretiens, les propositions fédérales ont fait l'objet de modifications destinées à résoudre les problèmes particuliers à chaque province et à procurer à toutes un traitement paritaire.

Des accords fiscaux avec plusieurs provinces ont été convenus. Le Gouvernement est prêt à passer des ententes analogues avec les autres provinces. Vous serez invités à approuver les accords fiscaux qui seraient conclus.

Mes Ministres se sont engagés, une fois établies des relations financières acceptables avec les provinces, à tâcher, dans une conférence générale ou autrement, d'élaborer avec elles des ententes satisfaisantes sur les mesures relatives aux placements publics et à la sécurité sociale.

Il sera proposé, au cours de la présente session, des modifications à la loi des pensions de vieillesse.

Vous serez invités à étudier une mesure destinée à rectifier la représentation à la Chambre des communes en conformité de l'amendement récemment apporté à l'Acte de l'Amérique du Nord britannique. Des amendements à la loi des élections fédérales seront également soumis à votre examen.

Il vous sera en outre demandé, au cours de la session, d'approuver certaines autres mesures législatives.

Membres de la Chambre des communes,

Les comptes publics de la dernière année financière et les crédits de l'année prochaine vous seront présentés. Les crédits révéleront des réductions appréciables et encourageantes des dépenses publiques.

Vous serez invités à prendre des dispositions financières en vue d'assurer tous les services essentiels.

Honorables membres du Sénat,
Membres de la Chambre des communes,

Puisse la divine Providence bénir vos délibérations et guider les nations dans les efforts qu'elles tentent pour instaurer une paix juste et durable.

II. *Pouvoirs d'un commandant de district—*

1. Le brigadier Howard Douglas Graham, CBE, DSO, ED, est, quant aux officiers et soldats de l'armée canadienne qui servent au Royaume-Uni ou sur le Continent de l'Europe, par les présentes, investi de tous les pouvoirs et fonctions que doit remplir un commandant de district, en vertu des prescriptions des Ordonnances et Règlements royaux applicables à l'armée canadienne, 1939.

III. *Prisons militaires et service des prisons militaires—*

2. Les "Règlement et Instructions pour les prisons militaires et le service des prisons militaires" (approuvés par l'arrêté en conseil C.P. 3918 du 1er décembre 1939) s'appliqueront auxdites prisons militaires et aux membres desdites forces militaires canadiennes qui y sont détenus ou désignés pour remplir des fonctions, sauf que ledit brigadier Howard Douglas Graham, CBE, DSO, ED, sera investi du pouvoir d'adapter ou de modifier les prescriptions administratives contenues dans lesdits Règlement et Instructions de telle manière et dans telle mesure qui peut être nécessaire de temps à autre, aux fins d'assurer, dans leur essence, l'application intégrale desdits Règlement et Instructions aux endroits désignés comme prisons militaires canadiennes.

3. IV. *Transfert de prisonniers militaires—*

1. Lorsqu'une personne, assujettie à la loi militaire canadienne, est condamnée par une cour martiale en tout endroit en dehors du Canada à purger une peine aux travaux forcés, à l'emprisonnement ou à la détention, elle peut (qu'elle ait déjà purgé ou non une partie de ladite peine) être transférée ou emmenée au Canada pour purger ladite peine ou partie d'icelle à tel ou tels endroits où elle aurait pu être incarcérée pour purger ladite peine si elle avait été jugée et condamnée par une cour martiale en tout endroit au Canada.

2. Cette personne peut, jusqu'à ce qu'elle arrive à l'endroit au Canada où elle doit purger sa peine ou partie d'icelle, être confiée à la garde de la police militaire ou civile, ou en partie à la garde de la police militaire et en partie à la garde de la police civile et peut, au besoin, passer de la garde de la police militaire à celle d'autre police militaire ou à celle de la police civile ou de la garde de la police civile à celle d'autre police civile ou à celle de la police militaire selon les circonstances.

3. (*a*) Un ordre de l'autorité militaire compétente constituera un mandat suffisant pour incarcérer toute personne sous le coup d'une condamnation aux travaux forcés, à l'emprisonnement ou à la détention (qu'elle ait

déjà ou non purgé une partie de ladite condamnation) à tel ou tels divers endroits, au Canada, où elle pourrait avoir été incarcérée pour purger ladite condamnation si elle avait été jugée et condamnée par une cour martiale en tout endroit au Canada.

(*b*) Un ordre de l'autorité militaire compétente suffira en toute occasion et au fur et à mesure des besoins pour le transfert d'une telle personne sous le coup d'une condamnation aux travaux forcés, à l'emprisonnement ou à la détention, de la garde de la police militaire à celle d'autre police militaire ou civile et de la garde de la police civile à celle d'autre police civile ou militaire ainsi que pour l'emmener d'un endroit à un autre, de même que pour sa détention aux mains des autorités militaires ou civiles, et en général pour disposer de ladite personne de la façon qu'on jugera opportune jusqu'à ce qu'elle atteigne l'endroit au Canada où elle doit purger sa sentence ou le reliquat d'icelle.

(*c*) Une telle personne purgeant une condamnation aux travaux forcés, à l'emprisonnement ou à la détention peut être en toute circonstance et au fur et à mesure des besoins remises à la garde de la police militaire ou civile par suite d'un ordre de l'autorité militaire compétente, sous réserve que la présente disposition ne doit pas être interprétée comme permettant de lui faire subir une période de détention autrement que de la façon prescrite par l'Army Act et les Ordonnances et Règlements royaux applicables à l'armée canadienne, 1939.

(*d*) Une telle personne, sous le coup d'une condamnation aux travaux forcés, à l'emprisonnement ou à la détention peut, au cours de son transfert d'un endroit à un autre, ou à bord d'un navire, d'un avion ou autre véhicule, subir la contrainte nécessaire pour assurer son escorte et son transport.

4. Une telle personne, sous le coup d'une condamnation aux travaux forcés, à l'emprisonnement ou à la détention, transférée ou emmenée au Canada comme il est dit plus haut devra, après avoir été incarcérée à l'endroit au Canada où elle devra purger sa sentence ou partie d'icelle, être traitée de la même manière et être assujettie à toutes les lois, autant que les circonstances le permettent, de la même façon que si elle avait été transférée après avoir été jugée et condamnée par une cour martiale à tout endroit au Canada.

5. Aux fins des présentes, à moins que le contexte ne s'y oppose,—

(*a*) l'expression "garde de la police militaire" doit comprendre la garde par les autorités des troupes de mer, de terre et de l'air du Canada ou de tout dominion de Sa Majesté.

(*b*) l'expression "garde de la police civile" doit comprendre la garde de la police ou de tout autre corps civil autorisé à détenir des prisonniers civils et comprend la détention dans une prison commune ou dans toute prison ou cellule au Royaume-Uni, au Canada ou à Terre-Neuve, où les délinquants condamnés par une cour civile à l'emprisonnement ou à la détention peuvent être momentanément détenus, mais ne doit pas comprendre la garde par les autorités militaires du Canada.

(*c*) l'expression "autorité militaire compétente" doit comprendre—

(i) le commandant actuel de cette partie des troupes de mer, de terre et de l'air du Canada ou de toute partie des dominions de Sa Majesté, à la garde de laquelle une telle personne, sous le coup d'une condamnation aux travaux forcés, à l'emprisonnement ou à la détention, peut, en toute occasion et au fur et à mesure des besoins, être confiée;

(ii) les diverses personnes mentionnées à l'article 131 de la Loi de milice et au paragraphe 584 des Ordonnances et Règlements royaux applicables à l'armée canadienne (1939);

(iii) le brigadier Howard Douglas Graham, CBE, DSO, ED;

(iv) tel officier ou tels officiers que peut désigner, au besoin, l'adjudant général.

6. Les formules exposées à l'appendice trois du Code de procédure s'appliqueront *mutatis mutandis* aux cas prévus au présent ordre.

V. *Retour au Canada de personnes assujetties à la loi militaire canadienne*

1. Toute personne qui, pendant son service comme officier ou soldat de l'armée canadienne en activité de service au Royaume-Uni ou sur le Continent de l'Europe, a été condamnée, s'il s'agit d'un officier, à être cassée de son grade ou congédiée du service de Sa Majesté ou, s'il s'agit d'un soldat, à être destituée ignominieusement, nonobstant le fait que ladite sentence a été exécutée et sous réserve des prescriptions énoncées aux paragraphes suivants du présent ordre et en attendant qu'on dispose d'elle conformément auxdits paragraphes, sera censée accompagner les troupes canadiennes de Sa Majesté en activité de service aux termes du paragraphe (10) de l'article 176 de l'Army Act et sera assujettie à la Loi militaire à titre de soldat.

2. Toute personne qui, ayant été officier, ainsi qu'il est dit plus haut, a été cassée de son grade ou renvoyée du service de Sa Majesté et toute personne qui, ayant été soldat, a été condamnée à être destituée ignominieusement, nonobstant tout statut, loi ou règlement, sera passible d'être et, sur l'ordre du brigadier Howard Douglas Graham, CBE,

DSO, ED, devra être renvoyée aux frais de l'Etat à l'endroit au Canada ou ailleurs où elle était domiciliée immédiatement avant d'être mise en activité de service ou de s'enrôler dans une unité active de l'armée canadienne, selon le cas, et si, pour assurer son retour, ledit brigadier Howard Douglas Graham, CBE, DSO, ED, juge que la personne en question doit être remise à la garde militaire, soit en attendant, soit pendant son retour, ou bien les deux à la fois, il sera légal de détenir ladite personne et une telle détention sera censée être une détention selon la loi.

3. Toute telle personne ainsi cassée de son grade, renvoyée ou destituée ignominieusement peut, sous le coup d'une telle sentence et en attendant son retour, se voir accorder quartiers et vivres si les facilités le permettent, et telles allocations, y compris les allocations familiales et transport aux taux et conditions applicables au rang qu'elle détenait immédiatement avant son procès, tel que prévu par les Règlement et Instructions d'ordre financier applicables à l'armée active (Canada et outre-mer) et peut toucher, au lieu de la solde, une allocation de $1.00 par jour si une telle personne était officier immédiatement avant son procès ou de .50 si elle était soldat immédiatement avant son procès, et tel montant additionnel suffisant pour assurer le paiement de toute délégation de solde aux personnes à qui une allocation familiale était versée du chef d'une telle personne immédiatement avant que soit commise l'infraction pour laquelle elle a été cassée de son grade, renvoyée ou destituée ignominieusement. Les allocations susmentionnées seront accordées à la discrétion dudit brigadier Howard Douglas Graham, CBE, DSO, ED, pendant que ladite personne est au Royaume-Uni ou sur le Continent de l'Europe et qu'elle voyage de là au Canada et, pendant qu'elle est au Canada, à la discrétion du général commandant ou du brigadier commandant la région ou ladite personne est renvoyée au Canada.

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse de signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada,* comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. *Une compagnie de chemin de fer ou de canal*—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. *Une compagnie de télégraphe ou de téléphone*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'eexrcer des opérations;

3. Une compagnie ayant pour objet *l'exécution d'entreprises* dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des *droits ou privilèges exclusifs,* ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. *Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt,* ou *compagnie industrielle,* sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement;

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis; et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particuièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle des entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la construction ou l'achèvement, d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et, lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention; "Avis de bill privé"; au lieu des journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examinateur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédictent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas; crochets, italique, texte souligne, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill, ou la partie importante de ce texte, doit être imprimée, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimée en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant, que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncée par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation, doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée, au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ses ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. (2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal, cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province au territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement, de voie ferrée ou de canal, ne sera prise en considération par l'examinateur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction, qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et ayant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(*a*) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache.	$ 100
(*b*) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session..	100

(*b*) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill, il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand un bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins, si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas (*b*) ou (*c*) du paragraphe 3 ne sont pas exigibles.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle, dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

Avant l'émission du permis, l'adjudicataire doit, à ses propres frais, obtenir d'un inspecteur qualifié de vaisseaux à vapeur un certificat attestant la navigabilité du vaisseau qui doit être mis en service en vertu dudit permis, et il doit déposer ce certificat au bureau du ministre des Travaux publics.

Il est loisible au ministre des Travaux publics de rejeter tout vaisseau qui pourrait être mis en service sur ledit passage d'eau en quelque temps que ce soit, ou de rejeter son commandant ou les débarcadères ou quais fournis par l'adjudicataire, s'il les considérait tous ou l'un d'eux respectivement, impropres au service ou incapables de satisfaire aux besoins du public.

Article huitième

Il est loisible au Gouverneur en conseil de changer ou de modifier l'horaire des traversées et le tarif des droits de péage susmentionné, s'il le juge expédient dans l'intérêt public. Avis de ces changements ou modifications sera publié dans la *Gazette du Canada*, tel que prescrit à l'article 8 du chapitre 68 des Statuts revisés du Canada, 1927, qui a pour titre: "Loi des passages d'eau", et l'adjudicataire en sera officiellement averti par le ministre des Travaux publics, et après la date de cet avis, l'adjudicataire doit mettre en vigueur l'horaire des traversées ainsi modifié et ne pas percevoir ou recevoir des droits de passage ou de péage autres ou plus élevés que ceux qui seront prescrits par le tarif ainsi modifié, et ce tant que ce tarif sera en vigueur.

On acceptera, au lieu des deux cautions, un cautionnement émis par une société de garantie autorisée, pour le montant spécifié dans le paragraphe précédent.

Article treizième

Ce permis ne doit pas être ni cédé ni transféré sans que l'autorisation du ministre des Travaux publics n'ait été obtenue, mais dans le cas du décès de l'adjudicataire, le permis passera à l'avantage de ses représentants personnels ou de ses légataires.

Article quatorzième

L'adjudicataire n'aura droit de réclamer aucune compensation pour des dommages qui pourraient lui être causés par la construction l'entretien et l'exploitation d'un pont quelconque ou de ponts quelconques qui pourraient en quelque façon que ce soit nuire à l'exploitation du passage d'eau consentie aux présentes. 8-3

SÉNAT

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse de signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada,* comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. *Une compagnie de chemin de fer ou de canal*—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. *Une compagnie de télégraphe ou de téléphone*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'eexrcer des opérations;

3. Une compagnie ayant pour objet *l'exécution d'entreprises* dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des *droits ou privilèges exclusifs,* ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. *Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt,* ou *compagnie industrielle,* sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement;

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis; et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particuièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle des entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la construction ou l'achèvement, d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et, lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention; "Avis de bill privé"; au lieu des journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examinateur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédictent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas; crochets, italique, texte souligne, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill, ou la partie importante de ce texte, doit être imprimée, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimée en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant, que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncée par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation, doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée, au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ses ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal, cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province au territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des

droits ou privilèges exclusifs ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examinateur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement, de voie ferrée ou de canal, ne sera prise en considération par l'examinateur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction, qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et ayant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

(*a*) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache.	$ 100
(*b*) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session..	100
(*c*) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session.	200
(*d*) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas $250,000.. ..	100
(*e*) Lorsque le capital-actions projeté d'une compagnie dépasse $250,000, mais n'est pas supérieur à $500,000..	200
(*i*) Lorsque le capital-actions projeté d'une compagnie dépasse $500,000, mais n'est pas supérieur à $750,000..	300
(*g*) Lorsque le capital-actions projeté d'une compagnie dépasse $750,000, mais n'est pas supérieur à $1,000,000..	400
(*h*) Lorsque le capital-actions projeté d'une compagnie dépasse $1,000,000, mais n'est pas supérieur à $1,500,000..	600
(*i*) Lorsque le capital-actions projeté d'une compagnie dépasse $1,500,000, mais n'est pas supérieur à $2,000,000..	800
(*j*) Pour chaque million de dollars de capital-actions additionnel ou fraction de million..	200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante le droit additionnel à débourser est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) (*a*) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

(*b*) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill, il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand un bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins, si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas (*b*) ou (*c*) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examinateur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité

de ce modèle, dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE DU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille, indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.
